

ProRail - Twintrack Rail System

1901229

Product Description

Designed for the busy training or conference room, Nobo ProRail is a clever twintrack rail system that allows you to hang items such as whiteboards, flipcharts, projection screens or notice boards. These components simply glide along the rails to move into position and can also be slid across each another, offering more flexibility than standard wall fixed items.

Features

- Delivered with pre-mitred corner pieces that allow rails to neatly join together in the corner of a room.
- End caps provided.
- Two grippers provided to hold flip-pad pages.
- Each rail is 2.4m long and can be cut-to-size or joined together
