

Auto+ 100M Micro Cut Shredder

2104100

Product Description

Spend 98% less time shredding, save time and money with Auto Feed shredders. This high security, personal auto feed shredder shreds up to 150 sheets (70gsm) or 100 sheets (80gsm) automatically in to approx. 2,000 2x15mm micro cut pieces each (P-5) and provides sufficient security to shred highly confidential documents. With the Auto+ 100M shredder you do not need to stand and feed it, or even remove staples or paper clips first. It has an automatic feed and a 26 litre bin so you can load up to 150 A4 sheets and leave it to get on with the job.

Features

- Accepts, stapled documents, paperclips and credit cards
- Automatic Shredding
- Door open, paper-jam and cool down indicators
- Quiet operation at < 60 DbA means less disturbance in the workplace versus traditional shredders. Expect nothing less from Rexel, the world leaders in Auto Feed shredding.
- Viewing window to check all sheets have been destroyed
- Power Saving Features
- Optional environmentally friendly paper bags for easy recycling of paper
- The Intelligent Power Save feature ensures that your shredder shuts off automatically after 2 minutes of non-use, which in return saves energy.
- Compact, stylish under desk or desk side design
- Ultra quiet operation
- Rexel's new Auto Feed range enables you to spend 98% less time shredding - saving you both time and money.
- Auto Feed Executive Shredder
- High Security
- Advanced autofeed technology saves you time
- A high P-5 security level reduces documents to 2x15mm micro cut pieces. High performance document destruction to protect against fraud and identity theft.
- Micro cut for high security
- Easy-Empty Bin
- Shreds up to 100 sheets automatically
- The easy to empty 26 litre bin is capable of holding up to 300 sheets. This means that you have to empty it less often and can concentrate on your shredding duties.
- 27 litre pull out bin with viewing window holds up to 200 sheets
- Fast, easy feed option for shredding up to 6 sheets
- Total Security
- The ability to shred credit cards can prove to be vital considering the amount of sensitive information stored on them. This maximises protection and confidentiality.
- Continuous Jam Boost Technology to clear paper jams
- Bin full indicator illuminates when bin needs emptying
