## SUN CREAM LOTION SPF50 PROTECTION 100ML

**care**  
**PLUS**

This waterproof sunscreen is recommended for children or adults with a very sensitive skin.

Care Plus ® Sun Protection Sensitive SPF50 soothes the skin because of the ingredient Shea Butter. The cream also soothes the skin with natural ingredients such as:

- Canadian Willow Herb
- Cardiospermum halicacabum
- Echium oil, elements of the sunflower
- Allantoin
- Bisabolol
- Panthenol

This product contains no fragrance allergens and is free of parabens (preservative). Care Plus ® Sun Protection For Kids SPF50 is the perfect solution for a family to enjoy the sun together.

- The high UV-A and UV-B filters provide protection against the harmful effects of the sun.
- Provides protection against most jelly fish stings, corals and sea anemones.
- Water-resistant.
- Panthenol nourishes and soothes the skin.
- Clinically tested by dermatologists.
- Suitable for children.
- Contains the anti-oxidant vitamin E.
- Contains no preservatives.
