SPECIFICATION SHEET

G5 METAL WALL SLEEVE

WALL SLEEVE/BRACKET ONLY - DOES NOT INCLUDE CARRY CASE OR DEFIB UNIT

Helping people to identify the correct storage location for the defibrillator whilst not in use, the Cardiac Science Powerheart G5 metal wall sleeve allows the life saving device to be stored in a prominent position whilst remaining fully accessible in case of an emergency. The wall sleeve offers a protective and economical storage solution for the Powerheart G5 defibrillator.

- Suitable for storing the Cardiac Science Powerheart G5 defibrillators
- Also capable of holding a defibrillator stored in the G5 premium carry case
- Helps to identify the correct storage location
- Defibrillator remains fully visible and accessible at all times
- Durable stainless steel construction
- Protective and economical storage solution

This item is shipped directly from the manufacturer, please allow 7 days for delivery.
