CM1911

Selling UOM:

Each

Pack Size:

1

SPECIFICATION SHEET

CELOX HAEMOSTATIC GAUZE ROLL 56G

- CELOX Gauze has highly effective Celox granules bonded on to the surface of a stable gauze which will not compact under pressure
- The unique, patented and natural formula, works independently of the body's normal clotting mechanisms to clot blood even where normal clotting is slow or impaired
- CELOX is made with chitosan. Chitosan is broken down by lysozyme, a human enzyme, to leave glucosamine, a sugar which is normally found in the body
- It is suitable for severe high pressure bleeding, arterial & venous bleeding, bullet, blast, knife & shrapnel wounds, wound packing, applying through strong blood flows and application to all bleeding wounds
- Dimensions: 7.6cm x 3m
- Sterile
