SPECIFICATION SHEET

PREMIUM DRY EVAPORATIVE COOLING VEST XXL

Features

- Dry & comfortable - Exclusive patented dry technology keeps wearer completely dry and comfortable during the entire evaporative cooling process
- Long-lasting effect - Up to 3 days of cooling power to help maintain a healthy body temperature
- Easy activation - Fill vest with 13oz - 20oz / 400ml - 600ml of water
- Lightweight & durable - made of industrial grade quality nylon
- Ventilated comfort - Mesh side-panels provide additional ventilation and stretch
- Snug fit - V-neck design with front zipper closure
- Anti-microbial treatment - Cooling material is treated with an anti-microbial that prevents mould growth. Always keep cap closed to maintain vest's effectiveness and do not clean the inside reservoir.
- Wide variety of uses - Reduces the effect of heat exhaustion and fights fatigue while working or playing in the summer outdoor heat
