MARKETING COPY:

Simple and straightforward, the products in this line are the most versatile boards in the market. Sober and well-designed, they come in a wide range of solutions and combinations. Maya Series Boards are extremely adaptable, durable and efficient. This range of products is now treated with a special additive that actively kills 99% of microbes.

APPLICATION AND SALES PROPOSITION:

Products that possess this clean and hygienic attribute are ideal for public areas such as hospitals, surgeries, laboratories, dentists, food prep areas to name but a few. The special additive is always active and has no determinable life; it will keep cleaning day after day.

TARGET MARKET:

CHANNEL: Office products wholesalers, office products stores, decoration products wholesalers, decoration stores and other retailers

END USERS: Public areas such as hospitals, surgeries, laboratories, dentists, food prep areas to name but a few.

ADDITIONAL NOTES:

Other information supports: our official websites, Youtube®, Facebook®, catalogue and online catalogue, demo videos and more.

PROMOTIONAL TIPS:

No specific timing, thus we recommend the occasional promotion like product and offering of cleaning kits or markers
