

DUO

Panel leg desking

DUO

Panel leg desking

Duo offers a fresh approach to office furniture design, combining modern colour finishes of white and walnut with a traditional panel end leg design. With its elegant simplicity and extensive range options, Duo has your office needs covered and will create a sophisticated and practical office, with an affordable yet modern and on-trend option.

The 25mm melamine desktops and panel end construction has an integrated modesty panel and levelling adjustments in the legs that provides extra stability and strength. Versatile storage includes mobile pedestals, double door cupboards, bookcases and combination units available in white, walnut, or a stylish mix of both to suit individual preferences.

Panel End Leg

Panel end legs are manufactured from 25mm melamine with 2mm ABS edging and an 18mm modesty panel. Legs are complete with adjustable feet

25mm Desktops

Featuring durable 25mm thick worktops available in a walnut finish, with a choice of screen styles, sizes and colours to complement the range

Duo Colour

The walnut surface provides a real contrast to the white wood base and sides, offering a simple yet striking design and appearance

Co-ordinated Storage

A wide range of contemporary storage accompanies this range and is available in matching Duo walnut and white, in addition to solid white or solid walnut.
