

# Tuscan - High back manager chairs with head support

The Tuscan high back managers chair collection has a uniquely shaped back and headrest which ensures the chair adapts to the users back and provides just the right amount of comfort and support. Available black leather faced, fully upholstered or with a mesh back, Tuscan has ample cushioning whilst retaining a modern pillow design with sleek contours.

- Stylish black leather, mesh or fabric with black frame and black base
- Built-in lumbar support for enhanced comfort
- Pivot arms with open section complements the head rest design
- Weight capacity 115kg
