

FACT SHEET

WATER-RESISTANT POCKETS

Ideal for displaying information outdoors or in damp indoor areas where notices come into contact with water.

- Pocket provides very good protection of the inserts due to waterproof pressure seal (IPX 5)
- Transparent UV-stabilised and weather-resistant
- The pocket also has a scratch-resistant film with anti-reflective effect
- Attached with
 - cable ties
 - self-adhesive pads
 - 2 magnetic strips
- Can be used in portrait and landscape format
