

Callisto A3 Laminator

- HotSwap allows instant changes between different pouch thicknesses without the need to wait for the laminator to heat-up or cool down
- Sleep Mode is activated after periods of inactivity, reducing energy consumption
- HeatGuard™ Technology - reduces the surface temperature of the laminator, ensuring it is always safe to touch
- Laminates up to 125 micron pouches
- Reverse mechanism for retrieving and re-aligning misfed documents
- Includes starter kit for 10 documents

Overall Rating: 4.4 out of 5
