Ergonomic wrist position

Provides support to your wrists, ensuring your forearms are horizontal and wrists are in a neutral position.

Health-V™ channel

Propriety Health-V[™] channel helps prevent carpal tunnel syndrome by relieving pressure on the wrist's median nerve when using a mouse.

Built-in Microban®

Microban Protection fights the growth of harmful bacteria for the lifetime of the product.

Memory foam

Memory foam provides ergonomically correct hand posture for all day comfort

Recyclability:

Ergonomic Working:

Support your wrists.

Keep forearms parallel with the top of your desk and wrists in a neutral posture.

Feljowes

How to use a Wrist Support

- Mouse position: Place your mouse and mousepad/flex rest in line with your shoulders, or as close to your keyboard as possible to avoid tension in the arm and shoulder (or so your arm is relaxed by your body)
- 2. **Keyboard position:** Place your keyboard/rest close to you so you do not need to reach forward
- **3. Arm position:** Check your sitting height to ensure your forearms are horizontal and your wrists are in a neutral position when mousing or typing.

Certifications:

Pending: EN ISO 9241-5 1999 Ergonomic requirements for office work with visual display terminals (VDT's): part 5: 1999, workstation layout and postural requirements.

Aftercare:

Cleaning: Wipe over with a damp microfibre cloth. Do not use any cleaning solutions.

Handling & Storage: Read and follow all instructions and warnings before use. This product is intended for indoor use only.
