

Voyager A3 Laminator

- AutoSense detects pouch thickness and self adjusts to the optimal laminating setting
- HotSwap allows instant changes between different pouch thicknesses without the need to wait for the laminator to heat-up or cool down
- Easi-Access mechanism allows user to open the machine for cleaning and maintenance of the rollers ensuring consistent, high quality lamination
- Sleep Mode is activated after periods of inactivity, reducing energy consumption
- LCD display with advanced functions to guide users through the laminating process with ease
- Auto-reverse function detects misfed documents and switches to reverse mode to allow re-aligning
- Laminates up to 250 micron pouches

Overall Rating: 4.9 out of 5

Anti-Jam Technology	 Jam Free ClearPath mechanism ensures the laminator does not jam when using Fellowes branded pouches
	 Auto-Reverse
Auto Lamination Technology	N/A
Colour	Graphite
Country Of Origin	CHINA
Easi-Access	 Easy Access System Allows cleaning and maintenance of the laminator rollers, ensuring consistent, high-quality results.
Energy Savings	 Auto Shut Off Activated after periods of inactivity, reducing energy consumption.
Item Number	5704201
Qty Per Pack	1
Advanced Safety	 HeatGuard Reduces the surface temperature of the laminator, ensuring it is safe to touch
Short Description	Multi-user, belt driven laminator with AutoSense and HotSwap Technology
UPC Code	043859568819
Item H x W x D (cm)	16.50 x 63.00 x 22.00
Item weight (lbs)	23.17
Lamination Speed (cm/minute)	90
Number of Rollers	Belt-driven technology
Pouch Thickness (mic)	80-250 microns
Warranty	2 Yr
