Product Description

The Kensington Wireless Presenter lets you remain in control of your presentation from up to 20m away. Conveniently portable and easy-to-use, it frees you from distractions and lets you focus on what really matters - your audience.

Features

- Intuitive and easy to use forward, back and blackout screen controls
- Battery indicator light warns when battery power is low
- Requires 2 x AAA batteries (included)
- Professional matt black finish
- 2.4GHz wireless USB receiver prevents interference and stores inside presenter when not in use for safe keeping
- USB receiver deactivates battery when inserted into presenter for storage preventing accidental battery drain
- Wireless range of up to 20m ideal for conferences
- Designed to fit comfortably in the palm of your hand
- Rubberized texture provides protection and grip
- USB Plug & Play
- PC and Mac® compatible
- Non laser presenter is ideal for air travel or other environments where lasers are prohibited
