

EB-W42

DATASHEET / BROCHURE

This WXGA-resolution device can be positioned almost anywhere to deliver years of uninterrupted presentations on a large scalable screen.

The stylishly-designed EB-W42 is ideally suited for the office or home to display crisp, clear presentations, video content and more. Enjoy an HD Ready display with a high lumens output for all-round content visibility. Reliable technology creates peace of mind with reduced product intervention and maintenance.

Bright, vivid content on a large scalable screen

View content like never before and pick out even the finest detail with crisp, clear images with a screen size up to 320 inches. The combination of a high brightness, high contrast ratio of 15,000:1, and HD Ready content provides superior image quality and a viewing experience that is easy on the eye, even in high ambient lighting conditions.

Years of uninterrupted meetings

With a lamp life and air filter maintenance cycle of 10,000 hours in eco mode, users won't need to worry about maintenance for up to 5 years¹.

Installation and placement flexibility

Automatic vertical and manual horizontal keystone correction provide greater flexibility as to where the projector can be placed in the room for distortion-free images and the wide optical zoom adds to the flexibility.

Flexible connectivity for greater sharing

Built-in Wi-Fi enables easy and intuitive access to the projector from compatible smart devices using the iProjection app². Display content with the freedom to move around and engage with your audience. Split screen capability allows content from more than one device to be displayed simultaneously without the need for two separate display devices.
