With the Lenovo™ Miix 320, you have the best of both worlds. A fully functional laptop and a tablet—in one streamlined, portable device. It comes with a detachable keyboard, 10-hour battery life, smooth processing, and productivity-enhancing tools—enabling you to get stuff done, anywhere. When you need to kick-back, its 10.1" FHD display and stereo speakers bring everything to life. Factor in the super-fast WiFi and optional LTE that gets you online wherever there's cellular data, and you can see how the Lenovo Miix 320 gives you new ways to work and play.

WHY YOU SHOULD BUY THE LENOVO MIIX 320

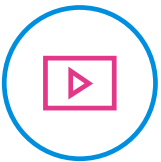

Do more with your tablet

One second the Miix 320 is an interactive, multimedia-rich tablet, the next it's a full-fledged laptop and the tools you need to get things done, anywhere. Boost your productivity in a snap by attaching the island-key keyboard to the 10.1" FHD tablet. As well as a smooth typing experience, the keyboard gives you two ports for your other devices and a precision touchpad that lets you utilize pinch-to-zoom and multi-finger gestures.

Perfect for on-the-go

With its streamlined design, clean lines, and tasteful accents, the Miix 320 is super light—just around 1 kg. It also gives you 10 hours of battery life with a single charge, so you can be on-the-go from morning to night, and not spend half the time looking for a charger or wall socket. The optional LTE gives you the flexibility to get online anywhere there's mobile data.

Raising the entertainment bar

The Miix 320's stunning FHD display lights-up everything in rich, vibrant detail. Just hit 'play' and lose yourself in superb stereo. With Dolby Advanced Audio™, the Miix 320 delivers crisp, clear audio through its speakers or headphones. Draw, sign documents, take notes and more, get it all done, with the touch of the optional Lenovo Active Pen (4G memory SKU).
