

# Linx 12<sup>X64</sup>

with Keyboard Cover

The big screen. In your hands.

With a seamless combination of performance and productivity, the Linx 12X64 keeps you connected with everything that matters and delivers the flexibility of a laptop with the versatility of a tablet. The latest Intel Atom x5 processor powers all the great features of Windows 10 for a tablet experience that lets you stay productive and keep entertained wherever you are.

### Kick back and enjoy the view.

Take some time out and kick back the integrated kickstand to enjoy all of your favourite photos, games and movies all displayed with stunning detail on the beautifully precise 12.5" full HD widescreen display.

### Touch or type. Work the way you like.

The sleek Keyboard Cover seamlessly turns your tablet into a fully fledged laptop, ready for you to make the most of Windows 10 Home. Featuring a full QWERTY layout, individual island-style keys, and a trackpad with gesture support, the Keyboard Cover lets you keep the portability of a tablet, with the flexibility of a laptop.

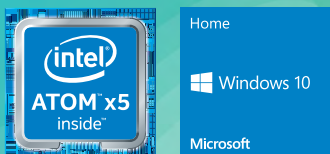

### Complete connectivity.

With a full-size USB port, the Linx 12X64 lets you connect all your external devices without the need for additional hubs or cables. Whether you need files from your external HDD, prefer to use a mouse when working, or just want to connect with your Windows Xbox controller for a better gaming experience, the Linx 12X64 lets you work and play the way you want to.
