USB to Lightning Cable - Apple MFi Certified - Short - 15 cm (6 in.) - Black

Product ID: USBLT15CMB

The USBLT15CMB 6in/15cm Black Lightning to USB Cable for iPhone, iPod and iPad enables close-range syncing and charging of your Lightning-enabled mobile digital devices. The cable is colored to suit black mobile devices and is short enough to minimize the clutter of excess cable, making it ideal for charging in your vehicle or for syncing to your laptop. Plus, the shorter cable design provides a portable solution that makes it perfect for carrying as a tablet or laptop accessory.

The reversible 8-pin Lightning connector can be plugged into your iOS-enabled device with either side facing up, meaning there is no wrong way of inserting the cable into the device.

This durable cable is Apple MFi certified and backed by StarTech.com's 2-year Warranty to ensure dependable performance.
