

## Computer Power Cable - BS-1363 to 2x C13 - 2 m

Product ID: PXT101YUK

This C13 Y-cable lets you plug multiple devices into a single power outlet, to maximize the space on your power strip, surge protector or wall outlet. It's perfect for setting up dual-monitor workstations.

The cable length from the Y-split is 47 cm on each side. This gives you an extended reach for connecting to two monitors securely, without placing a strain on the cable.

The power-splitter cable can also be used for connecting a monitor and computer to the same outlet or any two devices that have a C13 power connection.

The PXT101YUK is built to exact specifications and is fully tested to ensure maximum performance. Plus, the cable is backed by a StarTech.com lifetime warranty for guaranteed reliability.

### Certifications, Reports and Compatibility

### Applications

- Power two devices from a single power outlet

### Features

- Connect to two monitors securely, without placing strain on the cable
- Maximize space on your power strip, surge protector or wall outlet
- Guaranteed reliability

<b>Hardware</b>	Warranty	Lifetime
