

Expression Premium XP-900

DATASHEET / BROCHURE

A versatile and compact Wi-Fi all-in-one that offers outstanding photos up to A3 size, a large LCD screen, auto duplex, CD and DVD printing

The Expression Premium XP-900 is a perfect, affordable, all-in-one solution for printing high-quality glossy photos and documents up to A3¹. With individual inks, users will only ever need to replace the colour used, helping to save costs. It's also versatile and easy to use, as Epson Connect offers a whole suite of mobile printing options.

A3 photos

Take control and print high-quality photos up to A3 size at home. Why wait around? Produce photographs that exceed lab quality, on demand, with this convenient and fast printer.

Best of both worlds

Create your own photos and crisp, clear text documents with the five-colour Claria Premium dye and pigment ink-set. Photographs will be crystal clear with vibrant colours and deep, rich blacks thanks to the Photo Black ink cartridge.

Mobile printing

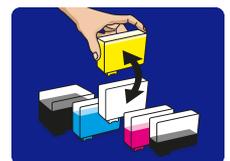

Printing photos and documents on the go is easy with the XP-900. Unlock the potential of your smartphone or tablet by downloading the iPrint app² to print and scan wirelessly. Make the most of your Facebook photos with the Creative Print² app, which allows you to print photos directly from Facebook, create custom greeting cards, turn photos into colouring book templates, and plenty more. In addition, you can email documents and photos directly to the printer from almost anywhere in the world with Epson Email Print².

Easy to use

It's easy to navigate the printer's features via the large 6.8cm LCD screen. Printing photos directly is also simple; just slot in a memory card. There's also the rear speciality-paper feed for printing on to thicker media up to A3, automatic duplex and the capability to print on to suitable CD/DVDs.
