

Guillotine 560

- Compact, entry-level guillotine for hobby use
- Sturdy solid metal table with rounded edges and non-slip rubber feet for firm standing
- Practical recessed grips
- Helpful format lines on the base with mm division along the cutting edge make aligning the material to be cut even easier
- Ergonomically shaped handle
- Ground upper blade made of hardened Solingen steel bolted to the solid steel blade holder
- Bolted lower blade of ground and hardened Solingen steel
- High-quality blades made of Solingen steel
- Sturdy, solid-steel blade holder for optimum guidance of the screw-mounted upper blade
- Transparent blade guard for cutting safety and unobstructed view of the item being cut
- Manual clamping for holding down the material being cut
- Two scale bars with mm scale for an exact 90° cut
- Adjustable backstop for quickly finding the right format can be used on both scale bars

Hobby and entry level:
easy, safe cutting precision.
