MRGS200

MediaRange Gaming Series Corded 9-button optical gaming mouse with weight management system

The powerful and highly precise sensor, with 4,200 FPS and 48 IPS, gives you the accuracy that matters, even in the fastest movements. With a polling rate of 500 Hz and a response time of 2ms, you'll always be one step ahead of your enemies. With the extra-large scroll wheel and extra buttons, our GS200 is ready for any adventure. The DPI buttons let you switch from 400 to 4,200 dpi.
