

MRGS301

MediaRange Gaming Series Coded 7.1 surround sound gaming-headset with volume control and RGB color mode, black/red

Crystal clear and comfortable, our gaming headset will accompany you through every adventure. Thanks to the integrated sound card, you benefit from virtual 7.1 surround sound and can hear your enemies before you even see them. The noise-canceling microphone keeps you in contact with your team at all times, and thanks to the padded ear cups, our headsets are also suitable for long, intensive gaming sessions.
