

P-WAVE®

The highly fragranced, simple solution to bad odours

Eco Hang Tag

The flexible air freshener

Looking for a great value, versatile air freshener that still packs a punch? Then look no further, the highly fragrance Hang Tag has a slim design which makes it easy to install just about anywhere. Perfect for inside a cupboard, on top of a wardrobe or cut up inside a vacuum cleaner bag, the possibilities are endless – Fix to a solid, flat surface using the supplied suction cups or hang from a cable tie, nail or other protrusion. Best of all, the Hang tag is 100% recyclable - Simply place the finished product in your plastic recycle bin after 30 days!

At a glance:

- 100% recyclable
- Highly fragranced
- Versatile and easy to use
- No batteries, aerosols or spills
- Low VOC's
- Use with or without supplied suction cups
