Tork Natural Coreless Mid-Size Toilet Roll Advanced – 2 Ply

The Tork Twin Coreless Mid-Size Toilet Roll Dispenser system is ideal for low to medium traffic washrooms with a high focus on guest satisfaction. It ensures high efficiency and that toilet paper is always available for guests by holding two full mid-size rolls. The Advanced Tork Coreless Mid-Size Toilet Roll balances cost and performance. Tissue is made of 100% recycled fibres.

- Coreless rolls produce no waste
- Compact mid-sized rolls: Each equivalent to 4-5 conventional toilet rolls
- Attractive décor: designed to make a great impression
- The natural light-brown colour comes from using recycled cardboard boxes as one of the fibre sources, a great choice if you want to show your environmental commitment while keeping the same high Tork quality.

Think ahead.
