MRCS510
MediaRange USB Type-C® 7-in-1 multiport adapter, silver

The MediaRange USB Type-C hub with seven ports is ideally suited for connecting up to two USB 3.2 Gen 1 devices (e.g. mouse, keyboard, printer, external hard drive) and an HDMI monitor with a resolution of up to 3840 x 2160 pixels , a network cable (RJ45) with a speed of up to 1GBps (1000 MBps), two slots for SD and TF cards and a USB-PD Type-C charging slot with a charging power of up to 60 watts. Perfect for expansion and connection to a smartphone, tablet PC, computer or laptop with USB Type-C socket and can be used for connecting USB 2.0 devices as well. The hub is bus-powered via the USB port, so there is no additional power supply required.
