The best of design combined with the best of eco-responsibility. A perfect white made from plastic waste. The Autentik range therefore offers products that bring used plastics back to life. An Exacompta innovation. With Scandinavian influences and colours white, candy pink, sage and grey blue, this range will blend into workplace interiors and home offices alike.

The Pen Wave is a solid and stable pen pot with a large capacity.

Thanks to its 5 compartments of different heights, it offers a large storage capacity: 4 high compartments for large utensils, scissors, pens etc, and 1 low compartment for small objects such as paper clips, thumbtacks, a USB key or even for placing a cell phone.

This designer and very practical pen pot will be most suitable for your workspace at the office or at home.

Respectful of the environment, this pen pot is made of recycled plastic from household waste and is therefore Blue Angel certified. 25 year warranty.
