

MX517de

Lexmark MX517de

A 4-in-1 device with higher input, output and print speed

The MX517de MFP combines print, copy, scan and fax operations into a single, versatile device. With available input capacity up to 2,000 sheets and print and copy speeds up to 42 pages per minute, your documents are processed quickly with few interruptions. It boasts a 10.9 cm colour touch screen and keypad to simplify tasks, 2-sided print and scan, built-in Gigabit networking, advanced security, access to Extra High Yield cartridges that produce up to 20,000 pages, and mobile print capability.*

Get more done quickly

Now you can accomplish more in less time. The MX517de offers fast print and copy speeds, up to 42 pages per minute, and scan speeds up to 41 sides per minute, due to its dual-core processor, generous 512MB of memory (expandable to 2.5GB) and Gigabit networking. It can deliver the first one-page print in as little as 6.5 seconds.

10.9 cm touch screen

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorised access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customised, unique PIN on the device's keypad before the document can be printed.

In addition, you can print from mobile devices using Lexmark's free Mobile Print app or an optional Wi-Fi adapter.

4-year Guarantee

Given the choice, wouldn't you prefer to buy a device that protects your investment with a guarantee? The affordable MX517de is so well made, we back it with a guarantee that covers repair actions including the cost of spare parts if they are needed in the first four years**. The guarantee also offers you free 24-hour online support and access to technical support by phone during working hours.

*Requires free Lexmark Mobile Print app with Android or iOS mobile device

**Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee.

Extra High Yield cartridges produce up to 20,000 pages

Available Extra High Yield cartridges produce up to 20,000 pages and never require shaking, which minimises interruptions and reduces cost per page. The Lexmark print system and Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MX517de is simple to install, easy to use and offers built-in Gigabit networking for full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 12,000 pages per month, thanks to our state-of-the-art paper handling technology.

The 10.9 cm colour touch screen offers quick access to fax and scan functions, as well as to pre-installed apps, such as Forms and Favourites, which lets you save frequently used documents and print them from the touch screen.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print and scan.

A front USB port lets you print directly from a flash drive.

Eco-friendly

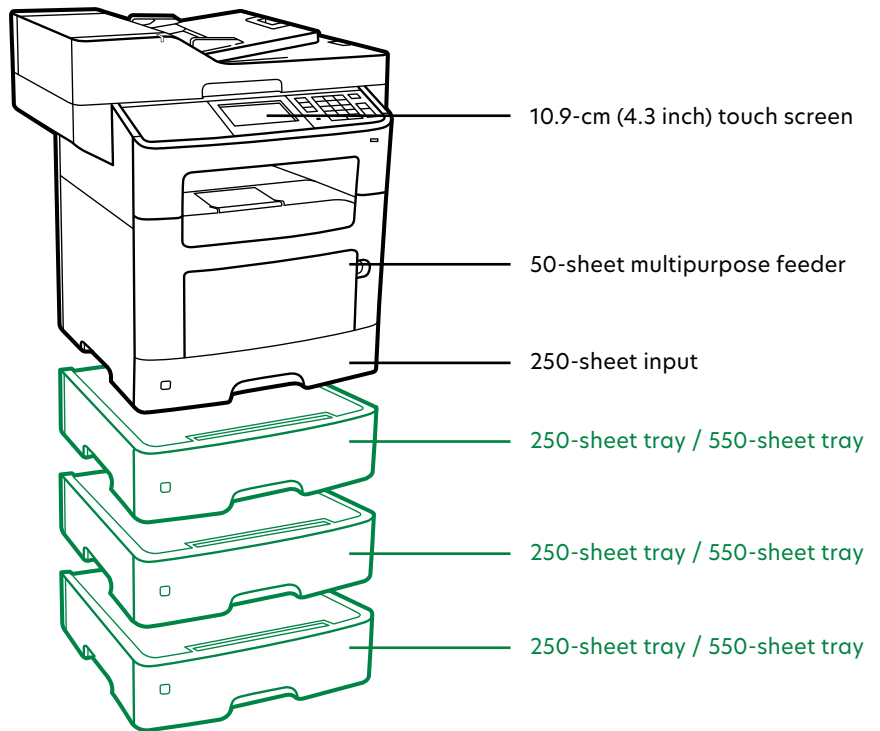

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first printed page as fast as 6.5 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimise noise and energy consumption.

Through LCCP, the Lexmark Cartridge Collection Programme, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing.

Product specifications		Lexmark MX517de
Printing		
Display	Lexmark e-Task 10.9 cm (4.3-inch) colour touch screen	
Print Speed: Up to ³	Black: 42 ppm

Specified Operating Environment	Temperature: 16 to 32°C (60 to 90°F), Humidity: 8 to 80% Relative Humidity, Altitude: 0 - 2896 Meters (9,500 Feet)	
Product Guarantee	4-Year Guarantee - Upon Registration Only	
Size (mm - H x W x D) / Weight	502 x 489 x 452 mm / 21.8 kg	
Part Number	355C783	

¹Average standard page yield value declared in accordance with ISO/IEC 19752. ²Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ³Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁴Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁵"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁶Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁷"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
