epeat SILVER · ENERGY STAR · AirPrint · mopria · Google Cloud Print 2.0 Ready · Unison TONER

This is a Class A device according to the FCC Rules and international electromagnetic emissions standards. This device is not intended for use in residential or domestic environments due to potential interference to radio communications.

*Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee.

Lexmark MB2546adwe

Mid-size workgroups can work fast and still run economically with the MB2546adwe, the up-to 44 page-per-minute * multifunction product with long-life components that rarely need replacement. A multi-core processor, 1 GB of memory, durable design and long list of standard features make it an exceptional value.

Get more done

- Print, copy, scan and fax with the power of a 1 GHz quad-core processor and 1 GB of memory.
- Get up to 44-page-per-minute printing and scan up to 42 images per minute.
- Intuitive 10 cm colour touch screen offers smooth, tablet-like interaction.
- Built-in productivity apps save time and improve efficiency.

Ready when you are

- Long-life fuser and imaging components extend uptime.
- Unison™ Toner replacement cartridges deliver up to 10,000 pages** of high-quality printing.
- Maximum input capacity of 2000 pages means fewer interruptions.
- Durable metal frame is designed for longevity.

Robust, built-in security

- Lexmark's full-spectrum security architecture helps keep your information safe—on the document, the device, over the network, and everywhere in between.
- A range of embedded features harden device against attacks.
- Standard Confidential Print feature helps ensure output security via simple PIN.
- Keypoint Intelligence - Buyers Lab honoured Lexmark with a prestigious BLI PaceSetter award for Document Imaging Security***.

Built for planet earth

- Energy management features reduce power consumption in active use or sleep mode.
- Standard two-sided printing saves paper.
- Use of post-consumer recycled content in manufacturing saves natural resources.
- Device is rated EPEAT® Silver and ENERGY STAR® certified.
- Recycle cartridges through the award-winning Lexmark Cartridge Collection Programme (LCCP).

This is a Class A device according to the FCC Rules and international electromagnetic emissions standards. This device is not intended for use in residential or domestic environments due to potential interference to radio communications.

[1]Average standard page yield value declared in accordance with ISO/IEC 19752. [2]"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. [3]"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. [4]Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. [5]Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. [6]Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. [7]Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. [8]Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee.
