

GLOW-IN-THE-DARK

DOUBLE EYEWASH FIRST AID KIT

Would you be able to find your first aid kit in the dark?

The loss of illumination during an emergency can cause panic and confusion, especially if someone is injured and needs assistance. This **GLOW-IN-THE-DARK** kit can help you to locate and identify your first aid equipment quickly in the event of a power failure. The kit includes eye wash in 500ml bottles, and 20ml small pods to cover a range of incident types providing a fast and effective treatment for eye injuries.
