

THIS IS WHERE IT STARTS

Jabra®

TAKE YOUR TRAINING TO THE NEXT LEVEL USING YOUR HEART RATE

THE NEXT GENERATION ALL-IN-ONE TRAINING SOLUTION WITH INTEGRATED HEART RATE MONITOR.

Take your training to the next level and get the ultimate wireless workout with Jabra Sport Pulse Wireless earbuds and the Jabra Sport Life™ app. This all-in-one training solution combines an in-ear precision heart rate monitor, immersive Dolby® sound, and real-time voice coaching that will inspire you to achieve the impossible. Cut the clutter and experience true freedom of movement without compromise.

FREE YOUR WORKOUT WITH PREMIUM WIRELESS SOUND

With a customizable music experience and powerful speakers, the Jabra Sport Pulse Wireless earbuds deliver world-class wireless sound. Exercise is about breaking free, so why let wires hold you back? Play/pause music, skip tracks, control volume, and take calls by using the inline controls.

ENHANCED MUSIC EXPERIENCE

The included Jabra Sound app is a music player that plays your stored music and streamed YouTube content in full Dolby® sound and much more. Create and browse playlists, share music, and optimize the graphic equalizer so you can listen to your tracks the way you want to.

THE ALL-IN-ONE TRAINING SOLUTION

The precision biometric in-ear heart rate monitor and the Jabra Sport Life app ensure you always train in the correct workout zone. Personalized audio coaching provides feedback on your workout every step of the way.

INTEGRATED FITNESS TESTING

Test your fitness level and aerobic capacity, adjust heart rate training zones, and set personal goals based on distance, time, or calories burned.

BUILT TOWARDS US MILITARY RAIN, SHOCK, SAND AND DUST STANDARDS

With reinforced cables and housing, the Jabra Sport Pulse Wireless earbuds are built to take a pounding. They are sweat- and weatherproof, so there is no excuse for missing a training session.

REASONS TO CHOOSE JABRA SPORT PULSE™ WIRELESS

- In-ear heart rate monitor
- Options to customize for a secure and comfortable fit
- Designed to withstand the toughest running and training conditions (IP55 rated)
- Premium sound quality for enhanced music motivation

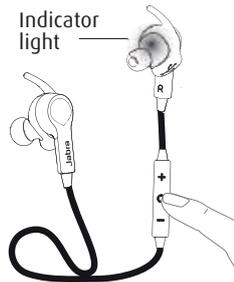

QUICK START GUIDE - GET STARTED UNDER 5 MINUTES

1 CONNECTING

CONNECT WITH A BLUETOOTH® DEVICE

1. Turn off the earphones.
2. Press and hold the **Multi-function** button until the indicator light flashes blue, and then release the button. Pairing mode will be announced.
3. Follow the voice-guided pairing instructions to pair to your *Bluetooth* device.

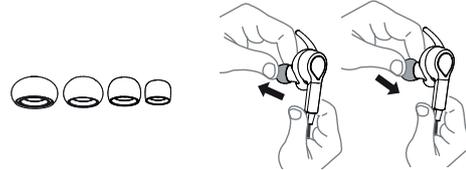

2 WEARING

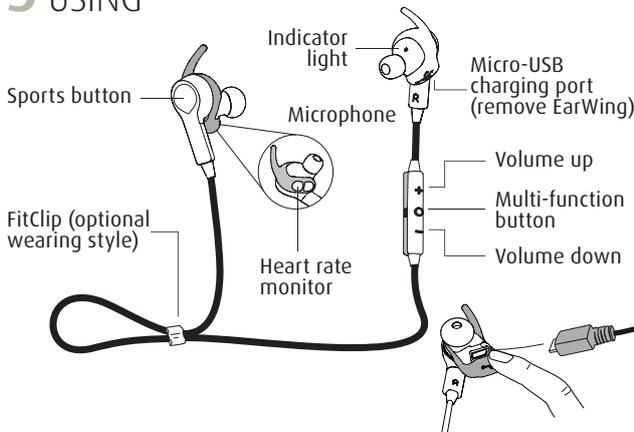

It is important that the earphones are fitted correctly to enable accurate heart rate detection. The fit should feel tight and secure. View the fitting guide on the Jabra Sport Life app to find the right size of eargel and EarWings.

SELECT EARGEL SIZE

For the optimal audio experience, select the eargel size that fits your ear.

3 USING

CHARGING

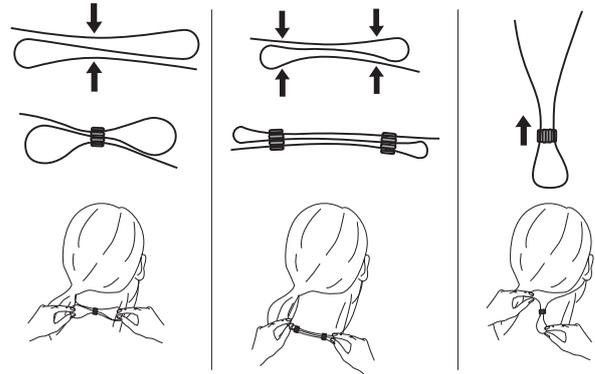

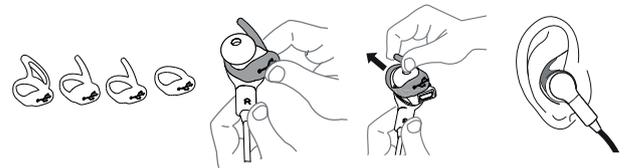

Gently pull back the EarWing on the right earphone to expose the Micro-USB charging port. It takes approx. 2 hours to fully charge the battery.

DID YOU KNOW?

You can watch how-to-wear videos on Jabra.com/sportpulse

WEARING THE EARWINGS

Select your preferred EarWing style and gently pull the EarWing onto each earphone. The EarWing should fit into the ridge of your ear.
