

M535

Bluetooth® Mouse

CONNECT. CREATE.

Logitech® M535 is a compact Bluetooth® mouse that lets you create on the computer you like, anytime, anywhere. It connects to Windows, Mac, Chrome OS and Android. Its curved shape and rubber grips provide lasting comfort. The navigation button and tilt wheel put smarter control in the palm of your hand. The mouse tracks reliably on just about any surface—from metal café tables to tile countertops to your favourite study desk—thanks to the laser-grade optical sensor. It keeps going for up to 10 months on a single battery.*

* Battery life may vary based on user and computing conditions.
