

charge stream™ vent mount

Universal wireless charging car mount with Apple and Samsung Fast Charge. Made for Apple, Samsung, Motorola, LG, and other Qi-enabled smartphones.

UNIVERSAL WIRELESS CHARGING

Delivers up to 10W of power to your compatible smartphone.

EASY, ONE-HANDED OPERATION

Easy to use; insert or remove your smartphone with just one hand.

CHARGES THROUGH LIGHTWEIGHT CASES

Delivers a charge through cases up to 3mm thick.

FITS MOST SMARTPHONES

Compatible with virtually any Qi-enabled smartphone, regardless of size.

Key Selling Points

- Wirelessly charges any Qi-enabled smartphone at rates up to 10W*, as well as mophie cases with wireless charging.
- Wireless charging is optimized for Apple and Samsung Fast Charge.
- The high-output QC 2.0 car adapter facilitates a fast, efficient charge.
- Fixed outer arms provide leverage so you can insert or remove your phone easily.
- Rubber-coated inside arms adjust to hold different-sized phones securely.
- A rubberized charging surface provides a secure, non-slip grip and won't scratch your smartphone.
- The charge stream vent mount enables hands-free calls and makes GPS directions easier to follow.

The next generation of universal power.
