

## 2 m (6 ft.) USB Multi Charging Cable - USB to Micro-USB or USB-C or Lightning for iPhone / iPad / iPod / Android - Apple MFi Certified - 3 in 1 USB Charger - Braided

Product ID: LTCUB2MGR

This USB multi-charging cable is a single-cable solution that makes it easy to charge and sync your Apple Lightning or Android devices.

### 3-in-1 USB Charging Cable

Keep this USB to Micro-USB, USB-C or Lightning cable on hand for all your charging needs, instead of carrying multiple cables. The 3-in-1 cable makes it easy for you to switch between different device models and platforms. Note that it will only connect to one device at a time.

Charge your devices from a USB wall charger, car charger, or power bank. The longer cable offers a greater range, so you can access your device conveniently even while it's connected to a charger.

## **Avoid Kinks and Tangles**

With a braided nylon jacket, this durable charging cable doesn't kink or tangle as easily as non-braided cables do. It's an excellent replacement for any of your charging cables.

## **Easy to Use**

To charge or sync a USB-C or Lightning mobile device, simply attach the corresponding connector to the Micro-USB connector and plug into your device. To charge or sync a Micro-USB device, plug just the middle connector of the cable into your mobile device.

The cable will only charge or sync one device at a time.

LTCUB2MGR is Apple MFi certified and backed by StarTech.com 2-year warranty to ensure dependable performance.

### Certifications, Reports and Compatibility

### Applications

- Charge and sync your Apple Lightning, USB-C or Micro-USB mobile digital devices

### Features

- Carry a single cable for all your charging needs using this 3-in-1 charging cable
- Avoid kinks and tangles with the cable's nylon-braided jacket
- Charge or sync one Micro-USB, USB-C or Lightning device at a time
- Charge/Sync a USB-C or Lightning device -- attach the corresponding connector to the Micro-USB connector and plug into your device
- Charge a Micro-USB device -- simply plug the middle connector into your device
