USB 3.0 to Slimline SATA ODD Enclosure

Product ID: SLSODDU33B

This durable optical drive enclosure helps make your laptop, Ultrabook™ or tablet even more powerful by adding an external USB 3.0 Optical Disk Drive (ODD). Simply slide your slimline SATA Blu-ray, CD or DVD-ROM drive into this compact portable enclosure to add optical reading and writing support to your computer.

Save time accessing your files

With USB 3.0 as the output interface, the drive enclosure supports up to 5Gbps transfer rate. Now you can access videos and other large files quickly to save valuable time while you're on the go.

Compact portability, durable convenience

With a durable, solid-aluminum housing, this top-quality external enclosure gives you the compact portability you need when you're on the move or in the field. Plus, the enclosure is USB-powered, so you won't have to carry a power adapter with you everywhere you go.

Works with your Mac or PC

The optical drive enclosure is OS independent, so you can rest assured it's compatible with any operating system including Mac®, Windows®, Linux® and Android™.

It's also backward compatible with USB 2.0 and 1.1, so you'll be able to connect your optical drive to older computers.

The SLSODDU33B drive enclosure is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Add a Blu-ray or DVD-ROM drive to your Ultrabook or laptop through USB 3.0
- Back up data to external optical discs using a DVD or Blu-ray writer
- Repurpose your spare slim SATA optical drive into a portable USB 3.0 optical drive

Features

- Increase the capabilities of your computer by adding external support for a DVD or Blu-ray ROM drive
- Save time accessing files with USB 3.0 performance
- Protect your optical disc drive with a solid aluminum housing
- Maximize portability with this USB powered device
- Enjoy plug-and-play installation with no software or driver disc required

Hardware	Warranty	2 Years
	Bus Type	USB 3.0
	Chipset ID	Initio - INIC-3619
	Compatible Drive Types	Slimline SATA
	Drive Installation	Fixed
	Drive Size	5.25in
	Interface	USB 3.0
	Number of Drives	1
	Supported Drive Height(s)	12.7mm
Performance	General Specifications	Supports Blu-ray, CD or DVD-ROM drives
	Hot Swap Capability	Yes
	Maximum Data Transfer Rate	5 Gbps
	Type and Rate	USB 3.0 - 5 Gbit/s
		SATA II (3 Gbps)
	UASP Support	No
Connector(s)	Drive Connectors	1 - Slimline SATA (13 pin, Data & Power) Receptacle
	Host Connectors	1 - USB 3.0 Mini-B (10 pin, SuperSpeed) Female
Software	OS Compatibility	OS independent; No software or drivers required
