

3.5" to 5.25" Front Bay Mounting Bracket

Product ID: BRACKETFDBK

This front bay mounting bracket lets you install a 3.5" floppy drive, media card readers or other peripherals into a 5.25" front bay of your desktop computer.

The 3.5 to 5.25 front bay adapter provides a versatile solution that lets you install a 3.5" floppy drive, external facing USB hubs, media card readers, and fan controllers into the front bay of your PC computer, with ease.

The adapter bracket features an attractive open-faced black bezel that provides a secure fit.

The TAA compliant BRACKETFDBK is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility
