For Surface Pro 7, 6, 5, and 4

"The Brydge 12.3 lets you turn your Surface Pro into a laptop you can use anywhere"

- GottaBeMobile

ADAPTIVE TOUCHPAD

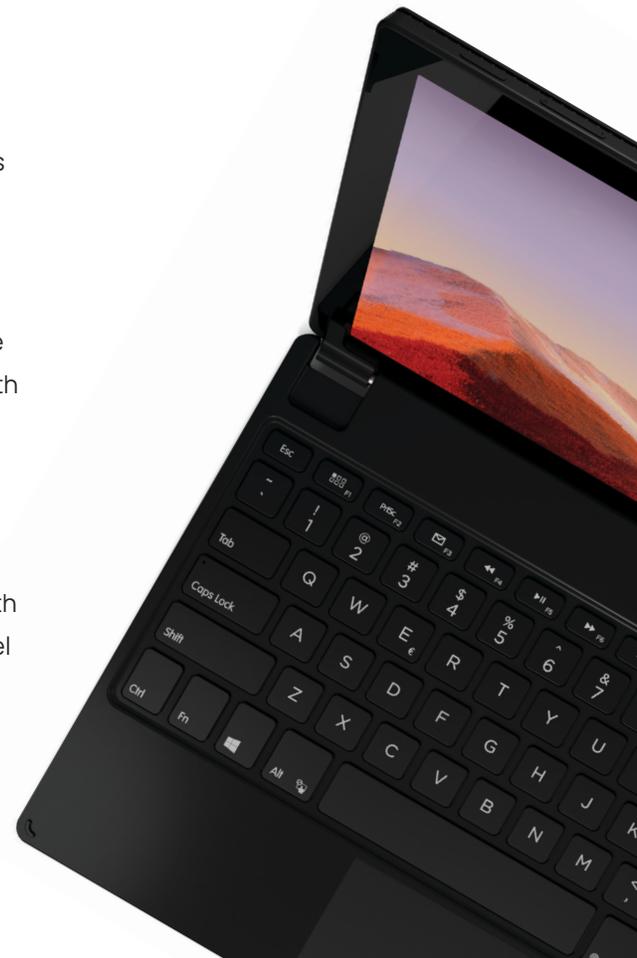

Minimal effort and maximum accuracy touch after touch. Multiple finger inputs and multi-touch gestures are a breeze. Everything you do on it feels natural and intuitive.

TRUE LAPABILITY

The Brydge 12.3 brings lapability to the forefront, without the need of the kickstand. Simply open the screen to the perfect angle from 0-160 degrees with the patented hinge design.

PRECISION ENGINEERED

Designed with the same dimensions, texture, and form of the Surface Pro. Beauty meets strength with a light, but strong body, giving you the premium feel you expect.
