**Closure type :** Without closure

The Teksto range is made around ecological values, materials of plant origin or recycled but sustainable and with a trendy textile effect. Teksto is the organisational solution of the future in a zero plastic world.

The cover is made of recycled cardboard covered with certified paper, coated with vegetable oil to reinforce its resistance to stains and water ... The Lever Arch file is more resistant to stains, dirt, handling. It is recyclable by removing its metal parts.

It is equipped with a Prem'Touch mechanism, very robust but also ergonomic thanks to its push button, guaranteed for 10 years.

With its textile grain, it is trendy and has a spine label that makes it easier to identify the contents.

Suitable for filing A4 sheets, punched pockets and dividers. 80mm spine for large filing capacity. French made. FSC Certified
