Neomounts by Newstar FL15-750WH1 tablet floor stand for 9,7-11" tablets - White

The Neomounts by Newstar FL15-750WH1 is a tablet floor stand that can be installed both in portrait and landscape orientation. The clever design includes six different tablet inlay panels which makes the tablet holder compatible with most 9,7- 11" tablets, including iPad Pro gen 1-5, iPad Air 1-4, iPad 5-9, Samsung Galaxy Tab A, Tab A7 and Tab S6.

The floor stand features an anti-theft lock and a bolt-down base for extra security. Anti-skid pads protect the tablet from any scratches and the steel construction ensures safe and solid placement. The floor stand also features a special lockable power strip compartment. The cable management system enables cables to be routed through the pole.
