## RoHS Compliance

---

This product is in compliance with Directives 2011/65/EU and 2015/683 of the European Parliament and of the Council of 18th December 2006, on the restriction of the use of hazardous substances in electrical and electronic equipment (RoHS) and its amendments.

Substances of Very High Concern (SVHC) including 235 substances contained in Candidate List of June 14th 2023 are not present in this product range above permitted levels.

## WEEE Notice

---

The Directive on Waste Electrical and Electronic Equipment (WEEE), which entered into force as European law on 13th February 2003, resulted in a major change in the treatment of electrical equipment at end-of-life.

 The WEEE logo (shown at the left) on the product or on its box indicates that this product must not be disposed of or dumped with your other household waste. For more information about electronic and electrical waste equipment disposal, recovery, and collection points, contact your local municipal household waste disposal service or shop from where you purchased the equipment.

## Triman (Only for France)

---

The product and packaging materials are recyclable, dispose of it separately for better waste treatment. The Triman logo is valid in France only.
