The Neo Deco range, chic and trendy, will allow your office accessories to take on their art deco clothes. With mixed and sober colours, you can also, beyond the classic black or blue, add a touch of velvet or gold if you wish to your workspace.

These Neo Deco letter trays are suitable for both the office and the Home Office and are solid and stable.

Their format allows you to store A4+ format documents and its capacity is 500 sheets of paper.

They can be stacked vertically or in steps and are modular as desired, compatible with many existing models.

A label holder is placed to the right of the trays for easy identification of documents.
