

EcoTank ET-2956

Perfect for anyone looking for low-cost-printing, this A4 inkjet printer has refillable ink tanks and benefits such as Wi-Fi, copy and scan.

Save up to 95% on printing costs* with Epson's cartridge-free EcoTank printers. Supplied with high yield ink bottles, the integrated ink tanks are easy to fill thanks to the specially engineered ink bottles. With no cartridges to replace, and flexible connectivity features, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost-per-page.

Say goodbye to cartridges

EcoTank provides hassle-free home printing - the ultra-high capacity ink tanks allow mess-free refills and the key-lock bottles are designed so only the correct colour can be inserted. The front ink level display means it's easy to see when it's finally due for a refill.

Keep on saving

This economical printer saves you up to 95% on printing costs* and comes with up to 3 years' worth of ink*. One set of ink bottles delivers up to 8,500 pages in black and white and 6,500 in colour*, the equivalent of up to 63 cartridges worth of ink!*

Packed with features

Featuring a 100-sheet rear paper tray, borderless photo printing (up to A4) and fast print speeds of up to 15 pages per minute*, you can speed through a variety of tasks with ease. Additional benefits include a user-friendly 3.7cm LCD screen, automatic double-sided printing, quick and easy print quality adjustment and a convenient output tray that automatically opens when printing. The stylish blue light on top of the ink tank cover also means you can monitor your printer's status at a glance.

Built to last

Heat-Free Printing Technology means the printhead will last the lifetime of the printer* so you can benefit from no unnecessary replacement parts or upgrades, as well as reduced power consumption compared to laser printers*. It is also engineered to prevent nozzle clogging. Highly durable, the printer comes with a 50,000 page (or 1 year) standard warranty*.

Modern flexibility

Featuring a compact design and Wi-Fi and Wi-Fi Direct connectivity, you can easily integrate this printer with your existing home set-up and print from mobiles, tablets and laptops*. With support for dual-band and mesh Wi-Fi networks, the speed and reliability of your printer's wireless connection is optimised to deliver a fast and seamless printing experience.
