**N.B. A Fork Lift will be needed to unload this unit**

These units are supplied complete with 2 braces which fit securely over the bottom leg brace. This allows you to place six 600 x 600 paving slabs directly on top to secure the unit in place. This also gives a neatly finished & firm standing area.

No fixing required - simply secure these units by using six 600 x 600mm paving slabs (not supplied)  
Fabricated from robust heavy duty box section  
Complemented by tri wall fluted plastic side panels & a galvanised sheet steel roof
