

SMOKING SHELTER WITH PUNCHED STEEL SIDES

i Information

**COMPLY TO
SMOKING
REGULATIONS
2007**

BSS209

These units are supplied complete with 2 braces which fit securely over the bottom leg brace

This allows you to place paving slabs directly on top to secure the unit in place

Fabricated from robust heavy duty box section

Available with tri wall fluted plastic side panels or powder coated punched steel side & back panels.

Both have a galvanised sheet steel roof

No fixing required. Simply secure these units by using six 600 x 600mm paving slabs (not supplied)

N.B. A Fork Lift will be needed to unload these units
