'One-A-Month' Shredder Lubrication Sachets (Pack of 12)

Code 40015

Just like a car engine, your shredder requires frequent top-ups of oil to keep running smoothly. Once a month, feed one of these sachets into the machine, document-style, and the encapsulated oil will lubricate the blades – helping to maintain a clean cut and prevent paper clogging. Suitable for use with all types of shredder.

Shredder Oil Aerosol (400ml)

Code 45810

The Swordfish Oil Aerosol effectively lubricates cutting blades and reduces friction. It should be applied directly into the cutting slot helping to prolong the life of your machine. Suitable for use with all types of shredder.

Shredder Lubricant (240ml)

Code 40069

Applied at least once a month, Swordfish Shredder Lubricant maintains maximum performance and extends the life of your shredder. Simply apply a strip of lubrication across the sheet of paper and shred. This will help your machine to run smoothly, quietly and efficiently. Suitable for use with all types of shredder.

Shredders 2008

Swordfish Shredders 2008

Smart on the outside. Tough on the inside.

Meet the superheroes of shredders – ready, willing and able to put confidential documents, credit cards and CDs/DVDs totally beyond the reach of prying eyes.
