1200XXCD 12-Sheet Micro-Cut Shredder

CODE: 40237

Trade Pack: 1

Compact, High Security

- 12 sheet capacity
- 26 litre bin
- 50dB sound level
- 2650 sheets per hour
- Shreds CDs & DVDs
- 4 x 10mm particles
- DIN level P-4 security
- 30 minute run time

This new compact micro cut shredder provides the ideal solution for high security shredding. Cutting an A4 sheet into more than 1560 particles, it easily meets the requirements of the new DIN-P4 standard.

A big bin capable of holding 650 sheets and tiny particles mean less frequent bin emptying. Producing only 50dB, this machine will not disturb the people around you.
