600XXC Super Micro-Cut Shredder

Ultimate Security
for extremely sensitive data

CODE: 40362

Trade Pack: 1

Ultimate security – Compact design

- Cuts an A4 Sheet into 6237 pieces
- 2 x 5 mm particles
- 6 sheet capacity
- 888 sheets per hour
- Slide-out 15 litre waste bin
- DIN level P-5/E-5 security
- 4 castors for easy mobility

Offering a **super level of security**, the 600XXC is perfect for destroying extremely sensitive information. It will shred an A4 sheet of paper into more than 6237 pieces, it is whisper-quiet so you don't disturb those around you.

The slide out bin ensures hassle free emptying – and because super micro-cut shredding is so fine, the bin will require emptying less often than a conventional cross-cut shredder.
