

Time Clock

With HID, MIFARE, DESFire, RFID & PIN

TM-818MC

The complete and convenient solution

to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

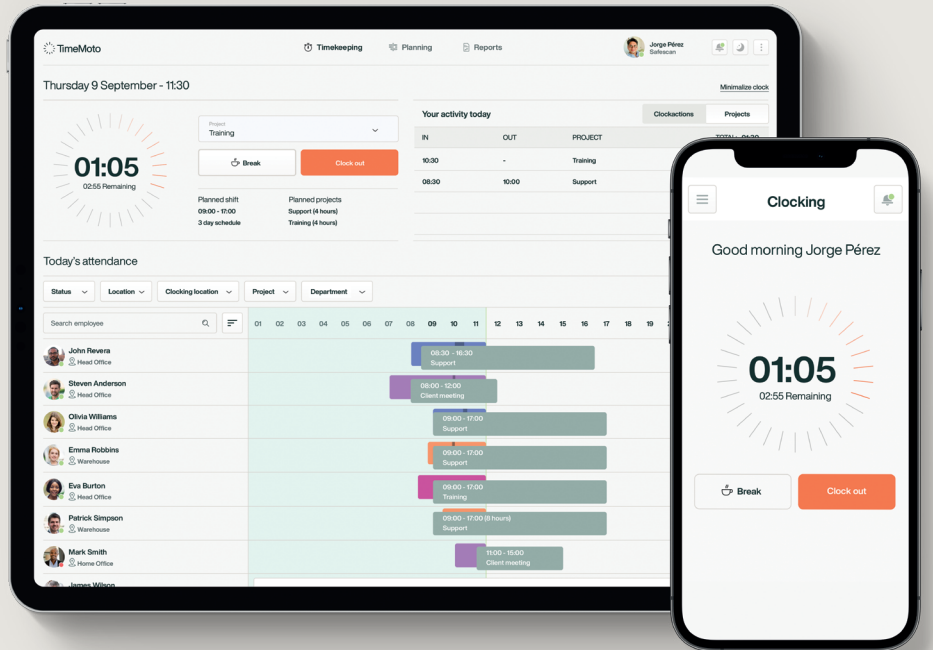

TM—818 MC is perfect for bigger businesses with up to 2,000 employees and can store up to 100,000 time logs. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. Whether it is with a HID/ MIFARE / DESFire Badge or the standard RFID Badge and PIN code. The intuitive design assures easy punching with extra security and convenience. Empower your employees, with the 4 identification method choices.

Choose flexibility and security with our HID / MIFARE / DESFire powered Time Clocks. HID is the US equivalent of the European MIFARE and DESFire. It is the number one choice in the US for secure door access, personal identification and cashless transitions. All accessible with one badge.

Punch in. Punch out. That's all.
