The Stand for Versatile Screen Activity

Get the Edge With its full range of motion, the Edge is perfect for all the tablet activities you enjoy. Set your device on it at the ideal height and angle to view movies. Enjoy a virtual workout. Or set it up on your desk, alongside a mouse and keyboard, for focused work. It doesn't matter what you pack into your day. The Edge is up for the task.

Adjust to the Good Life It's Easy with the Edge

A Stand that Knows All Your Best Angles With its premium hinges, the Edge elevates and tilts your tablet just right for a posture-perfect screen view. The stand is flexible enough to fold entirely flat, so you can carry it between rooms or slip it into your bag for work or study without neck stiffness and eye strain.

Package Includes

- 1 x Edge Desktop Tablet & iPad Stand
- 1 x User Manual

One Stand for Many Tablets

Elevate Your Device to New Heights The Edge is compatible with almost every tablet on the market today, making it highly shareable in highly-connected households.
