Introducing the Motorola E201

The Motorola E2 is stylish, easy to use and great value. It has a black and white display with a bright amber backlight, and incorporates all the essential cordless calling features you would expect from a modern cordless telephone.

Offering call blocking technology, the Motorola E2 will help you stop unwanted calls. You can block up to 10 specific numbers meaning you no longer need to be disturbed by nuisance calls, and for those times you want some peace and quiet, simply switch to Do Not Disturb so your phone will not ring or light up.

Available in black and white
